Coordinator's Corner

March is here and hopefully that means Spring is right around the corner! The SPARKS students have been busy working on some great projects and we have even more exciting things planned for the month ahead. With the crazy weather we have had it has been hard to get in a full week of SPARKS. Hopefully we will start to have better luck with that. One thing that has been helpful when contacting parents about program cancelations and other important events has been the use of Remind 101. If you haven't signed up I encourage you to do so in order to stay more informed. All you need to do is text the message @hmssp to the number (989)424-5877 and you will be all set.

Quilting and Sewing Class Creations

Have you signed up for Remind 101 yet? This is a great way to stay informed about program!

Just text the code: @hmssp
To the number : 989-424-5877

I only send out messages about canceled program or important upcoming events and your number stays private.

Don't forget to check out the S.P.A.R.K.S. Advisory Board and leave us a comment, question or suggestion.

We would love to hear from you!

Parents Corner: Student Grades and Skyward

Don't forget that you can access your student's grades, homework and any missing assignments by logging into your family access Skyward account. We are also working to make sure each student knows how to log into their own account and how to check grades and missing assignments themselves.

As a reminder, we offer homework help at SPARKS Monday thru Thursday from 3:45—5:30 with certified school day teachers. If you would like to discuss your students homework room attendance while at SPARKS please feel free to contact me.

If you are passing through Clare make sure you check out some of our artwork at Arby's and TacoBell!
